

Recreation Inventory

As part of the planning process, a recreation inventory was conducted for the HARBOR Area Community. The purpose of the recreation inventory was twofold. First, the inventory was needed to accurately understand recreation in the Community. Second, the inventory of available organized recreational facilities was used during the analysis to compare against national standards for recreation - one measure of determining a community's recreational deficiencies. The full recreation inventory is presented in the following section, while the comparison against national standards for organized recreation is presented here.

Table 5 illustrates the comparison of the National Recreation and Park Association (NRPA) suggested recreation standards to the current recreational facilities of the HARBOR Area. These standards provide the basis for potential recreation deficiencies associated with future population projections. However, these are guidelines only and do not include standards for trails, open space and public waterfront. The analysis in Table 5 is based on 2010 population of 8,951 using data from the Northwest Michigan Council of Governments.

| Table 5. Suggested Facility and Acreage Development Standards | | | | |
|--|-----------------|------------------------|---------------|----------------------------|
| Facility Type | Standard | 2010 population | Needed | Existing Facilities |
| Auditorium | 1/50,000 | 8951 | 0.2 | 1 |
| Baseball Diamonds | 1/6,000 | 8951 | 1.5 | 3 |
| Basketball Courts (full) | 1/5,000 | 8951 | 1.8 | 3 |
| Gymnasium, Elementary | 1/3,000 | 8951 | 3.0 | 3 |
| Gymnasium, Secondary | 1/10,000 | 8951 | 0.9 | 1 |
| Skating Rinks (indoor and outdoor) | 1/25,000 | 8951 | 0.4 | 2 |
| Softball Diamonds | 1/3,000 | 8951 | 3.0 | 3 |
| Swimming Pools (indoor) | 1/10,000 | 8951 | 0.9 | 1 |
| Swimming Pools (outdoor)* | 1/40,000 | 8951 | 0.2 | 0 |
| Tennis Courts | 1/2,000 | 8951 | 4.5 | 6 |
| Soccer | 1/10,000 | 8951 | 0.9 | 2 |
| Ice Hockey | 1/100,000 | 8951 | 0.1 | 1 |
| Football Stadium | 1/20,000 | 8951 | 0.4 | 1 |
| Volleyball | 1/5,000 | 8951 | 1.8 | 1 |

* private pools and public beaches excluded

As the preceding table shows, and as was voiced a number of times during public meetings and discussions of the working group, there is no shortage of organized recreation facilities in the HARBOR Area Community. What is needed, however, are new trails and enhancements to existing trails to provide the means for users to move among these facilities.

RECREATION INVENTORY

The following section contains an inventory, by jurisdiction, of all the publicly accessible local, county, state, federal and private land areas and trails within the HARBOR Area Community.

The Recreation Inventory is based on data contained in existing recreation plans and other planning documents from the participating jurisdictions, on-site visits, support work from the Recreation Working Committee, and interviews with knowledgeable local officials in government, public schools and local recreation oriented organizations.

The HARBOR Area Community includes more than 30,000 acres of recreational land and a number of trails for various uses. The term recreational land, as used here, includes land that is publicly accessible but could be either privately or publicly owned. The seven participating jurisdictions, the Harbor Springs Public Schools and Emmet County provide approximately 1,162 acres of parkland. The State of Michigan provides 22,800 acres of parkland. Private facilities provide approximately 4,400 acres of parkland. The Little Traverse Conservancy provides an additional 1,163 acres of publicly accessible parkland.

There are a number of recreational trails throughout the HARBOR Area Community used for various purposes. Snowmobile trails exist on much of state land in the community, with trailheads located closer to population centers. Portions of the North Country Trail, a 4,600 mile hiking trail from the Adirondacks of New York State to the plains of North Dakota pass through Little Traverse, Pleasantview, Readmond and Cross Village Townships. These portions of the NCT are managed by the Harbor Springs Area Chapter of the North Country Trail. The Little Traverse Wheelway, a paved multi-use trail, enters the Community from Petoskey, currently ending in Little Traverse Township. Plans are underway and funds have been secured to extend this trail into the City of Harbor Springs. In addition several hiking, equestrian, biking, and cross country ski trails are located on publicly accessible properties throughout the Community.

Of the parks listed in the following recreation inventory, Middle Village Church Beach, located in Readmond Township has received Natural Resources Trust Fund grant money with Readmond Township as the grant applicant (\$686, 300 in 1993 and \$67,500 in 1996).

Maps 2 through 8 depict the location and type of parkland resources and trails available in each participating jurisdiction. The following section provides a more detailed look at these recreational resources in each jurisdiction.

HARBOR SPRINGS RECREATION FACILITIES

City of Harbor Springs Marina

Description:

Located in the City of Harbor Springs, the City of Harbor Springs Marina is centrally located and a primary City recreational facility.

Features/amenities:

- Dock
- Public Restrooms
- Parking
- Picnic Area (3 tables)
- Beach
- Tennis Courts (2)

Park Type: Mini-Park

Park Size: 2.0 Acres

Service Area: City and neighboring townships

Ownership: City

Josephine D. Ford Park

Description:

Located in the City of Harbor Springs, home to the historical society.

Features/amenities:

- Boat Launch
- Parking
- Picnic Area (5 tables) and Grills

Park Size: 2.3 Acres

Service Area: City and neighboring townships

Ownership: City

Kiwanis Park

Description:

Located in the City of Harbor Springs

Features/amenities:

- Winter Park, sledding hill
- Picnic and Grill
- Playground
- Bathroom
- Basketball (just hoop)

Park Type: Neighborhood Park

Park Size: 7.5 Acres

Service Area: City and adjacent townships

Ownership: City

Deer Park

Description:

Located in the City of Harbor Springs, adjacent to municipal buildings and football stadium

Features/amenities:

- Deer Viewing
- Benches
- Picnic Tables

Park Type: Mini Park

Park Size: 2 - 3 Acres

Service Area: City and neighboring townships

Ownership: City

Harbor Springs High School Football

Description:

Located in the City of Harbor Springs,

Features/amenities:

- Football Field
- Bathroom
- Parking

Park Type: School Park/sports complex

Park Size: 7.0 Acres

Service Area: Entire Community

Ownership: Harbor Springs Public Schools

Community Ball Diamonds

Description:

Located in the City of Harbor Springs

Features/amenities:

- Playground Equipment
- Ball Fields (3)
- Bathroom
- Parking
- Paved Non-motorized trail

Park Type: Neighborhood Park

Park Size: 9.48 Acres

Service Area: Entire Community

Ownership: City

Jean Jardine Park

Description:

Located in the City of Harbor Springs

Features/amenities:

- Open space
- Water fountain

Park Type: Mini Park

Park Size: 2 - 3 Acres

Service Area: City and neighboring townships

Ownership: City

Raunecker Nature Preserve

Description:

Located in the City of Harbor Springs

Features/amenities:

- Nature Preserve

Park Type: Little Traverse Conservancy Nature Preserve

Park Size: 40 Acres

Service Area: Neighborhood

Ownership: LTC

Leslie Nature Preserve

Description:

Located in the City of Harbor Springs

Features/amenities:

- Nature Preserve

Park Type: Little Traverse Conservancy Nature Preserve

Park Size: 5.5 Acres

Service Area: Neighborhood

Ownership: LTC

West Wequetonsing Nature Preserve

Description:

Located in the City of Harbor Springs

Features/amenities:

- Nature Preserve

Park Type: Little Traverse Conservancy Nature Preserve

Park Size: 14.5 Acres

Service Area: Neighborhood

Ownership: LTC

Zoll St. Park

Description:

Located in City of Harbor Springs, "Dog Friendly Beach", Dinghy Storage, Hand Launched Boats, Quiet Beach Use, No Jet Skis, No Unauthorized Motorized Watercraft, Overnight Parking Available with Permission

Features/amenities:

- Beach
- Parking
- Dog Friendly
