Dear Pleasantview Township Property Owner:

This survey has been sent to all property owners in Pleasantview Township to assist the elected and appointed officials of Pleasantview Township to better understand the views of the Township property owners. This survey is being conducted as part of a Township-wide Master Planning efforts. For more information on the planning process please read the information on the reverse side of this letter. In order to determine the views of the property owners, **we are asking you to please answer the attached survey and return it by March 28, 2008.** This survey should take you only a few minutes to complete, and your answers will remain **completely confidential.**

I encourage you to fill out either this mailed survey OR the digital version on the Township's website, <http://www.harborinc.org/pvtwp.asp> . It will give local Township officials information to better plan for our Townships future. Once you have completed the survey, please mail it to M. C. Planning & Design OR drop it off at the Township Hall. To make the process as convenient as possible, the back side of the survey booklet has the return address. **After completing the survey, simply tape the booklet together, add first class postage (41 cent stamp), and drop it in the mail OR drop it off at the Township Hall.** To maintain your privacy, please do not write your name on any part of the survey booklet.

If you have any **questions** concerning this survey, please feel free to contact our planning consultant, Mary Campbell, at M. C. Planning & Design, via e-mail: mcampbell@mcplanningdesign.com with "Pleasantview Township comments" in the comment line, or by phone at (231) 487-0745.

PLEASE RETURN THE SURVEY BY MARCH 28, 2008. The survey findings and background information for the Township Master Plan will be presented at a public goal setting workshop scheduled for July 24th at the Township Hall.
