Consider Options for Addressing Delinquent Water Bill: There was discussion regarding the charges for the availability fee that has been charged since 2013 for the Carpenter property and whether the Township should honor their request to discontinue water service dated 9-16-13 written on a tax bill. The request was not to disconnect the water service.

Baker made a motion to drop the delinquent water fees charged to Sophy & Dean Carpenter at 4856 W. Lake Road (24-16-15-11-300-010). The service will be discontinued and there will be no service to that property. Any future service will be treated as a new tap-in with the accompanying new fees. Lauer seconded the motion.

Roll Call Vote: Baker – yes, Lauer – yes, Hollingsworth – no, Baiardi – no, Sandford – yes.

Adjourn: The meeting was adjourned at 12:30.
