Technical Services Fee Structure

Standard-Contract Services

HARBOR, Inc. offers experienced, professional staff providing technical services that fall within our community-based mission to anyone within our Service Area. Our standard fee is \$ 75/hour.

Governmental and Non-profit-Contract Services

HARBOR, Inc. works in partnership with many local units of government and non-profits within our Service Area. It is our goal to collaborate with those units of government and non-profits to provide assistance as needed with operations and projects that address the community vision. We offer a discounted rate to local units of government of \$50/hour.

Flat Rate-Contract Services

For some projects, HARBOR, Inc. will negotiate a flat rate based upon the scope of services and anticipated costs. Please contact us directly for more information.

Out of Service Area-Contract Services

HARBOR, Inc. offers the same contract services to those that reside outside of our Service Area, but at a higher rate. The out of the Service Area fee is \$100/hour.

*Please note that fees do not include any direct costs (>\$50) associated with postage, printing, graphic design, supplies, etc. These direct costs will be billed to the client.

HARBOR, Inc. (a.k.a. Greater Harbor Springs Area Planning Resource Group) is a 501(c)3 non-profit, Michigan corporation . **All fees will be used to support general operations and community based initiatives.**
